■ Wins/Losses Bug Report

in list Assessment 6 Testing!

Description Edit

The app records every result as a loss.

Steps to Reproduce: 1. Navigate to http://localhost:3000/.

- 2. Click Draw button.
- 3. Select two bots and add them to your duo.
- 4.Click Duel button.

Expected Result:

User should view an accurate win/loss message and record of past duels.

Actual Result:

User receives win/loss message, and losses record is incremented by 1.

Environment

Chrome version

Windows OS 10
